Dear Brian:

We talked to your office in July related to the above named individual. At that time, you had indicated that he had been charged with child molestation and was in jail pending arraignment.

We would like to know more information concerning this matter. Were charges pressed and has this case now been settled? Newspaper clippings or court records would be most helpful to us.

I am enclosing a Confidential Record Sheet which we would like to have completed so that we can identify Mr. Roseveare should he attempt registration in some other location. Please complete this with as much information as you have available.

Thanks for your help in building a complete file.
